This figure was presented at the June 5, 2013 Health IT Policy Committee meeting as a data update. To view the full presentation, go to: <http://www.healthit.gov/policy-researchers-implementers/hit-policy-committee-17>

Notes:

Categories are hierarchical and mutually exclusive (e.g., a hospital that has attested to Stage 1 Meaningful Use and has received adopt/implement/upgrade payment is counted only in the attested category).

Large = 400+ staffed beds; Medium = 100-399 staffed beds; Small = <100 staffed beds. Rural = non-metropolitan; Urban = metropolitan.
